Tub Day

Kate wanted to play in her little pool.

She wanted to play with her tug.

Mom said, "First sit in the chair.

I will put your hair in braids. It is a windy day."

Soon it began to rain.

"It's OK," said Mom.

"You can play in the rain."

But then it began to hail.

"No way!" said Kate as she went up the stairs.

"I will just play with my tug in the tub today!"
