Don’t get into mischief while I am away.
Stay out of the garden when you hop and play.
I lost my blue jacket, and now I am sad.
Ah-choo! I am cold, and McGregor is mad.

Hey there, you rabbit! You are in a jam.
That is my tomato. You had better scram!
I lost my blue jacket, and now I am sad.
Ah-choo! I am cold, and McGregor is mad.
That cat sure was scary, and so is that man.
I must get back home as fast as I can.

Peter ran from McGregor and then saw a cat.
Cousin Benjamin Bunny said, “Watch out for that!”
That cat sure was scary, and so is that man.
I must get back home as fast as I can.
Peter was up to some mischief, I see.
I’ll put him to bed and give him some tea.
Draw a picture of how Peter looked before he went into McGregor’s garden. Then draw a picture of how he looked after he escaped.
