

Write about Me

Elsie S. Wilmerding
Illustrations by George Ulrich

Recommended for Grades 1+

Write about Me helps students bridge the gap between thinking and talking about an idea and writing about it. Children build their writing skills as they develop ideas that have personal meaning to them. The book features large spaces for drawing, student-centric illustrations, thematic word banks, and steps that lead young writers to add details to their writing and make content area connections.

The following sample lesson **My Favorite Season** is designed to help emergent writers begin writing about their own experiences and thoughts. Try this lesson today with an individual student, a small group, or the entire class. *Write about Me* can be incorporated into any beginning writing curriculum.

My Favorite Season

Every year has four seasons:

fall

winter

spring

summer

What season is it now? _____

 Write about the weather.

Weather Word Bank

- cold
- snowy
- warm
- muggy
- cloudy
- windy
- freezing
- sunny
- foggy
- chilly
- rainy

Here is a picture of my favorite season:

These are two things that remind me of that season:

Two sets of horizontal writing lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line.

Recommended Companion Material

EPS offers a wide range of products that complement the writing activities in *Write about Me*. We recommend the following series to help students develop writing, spelling, and vocabulary skills.

Words I Use When I Write

Grades 1-2

This personal dictionary provides an initial list of 500 high-frequency sight words, plus plenty of blank lines for new words chosen by the student or teacher. Additional words can be selected from *Write about Me* word banks, phonics lessons, spelling lists, literature, word walls, or other sources. A section in the back of the book provides pages for color and number words, the names of friends and family members, and other categories of words.

All-Purpose Journal

Grades 1-2

The pages in this all-purpose journal have an area for illustrations or graphic organizers, with writing lines underneath sized appropriately for first and second graders. The inside front and back covers provide blank lines where students add spelling or vocabulary words, creating personalized word lists they can refer to quickly and easily when writing.
