

Thinking about Mac and Tab

WORKBOOK 1

Recommended for grades K–2

Thinking about Mac and Tab Book 1 is the first in a series of five comprehension books that correspond to each of the *Primary Phonics* storybooks. *Thinking about Mac and Tab* introduces early readers to beginning comprehension skills including story elements, sequencing, and inferential thinking. In addition, the Teacher's Guide contains discussion questions and extension ideas. The entire *Primary Phonics* series can easily be incorporated into almost any reading curriculum.

Use this **sample of Lesson 1** from Book 1 in conjunction with the Mac and Tab downloadable storybook. Try this lesson with your students to introduce or reinforce early comprehension skills. Try this lesson today with an individual student, a small group, or the whole class.

Recommended Companion Material

EPS offers a wide range of products and programs that complement the early reading skills in *Primary Phonics*. We recommend the following series to help young readers build essential phonetic skills.

The Alphabet Series

Recommended for grades K–2

The Alphabet Series is a set of eighteen storybooks that help children learn and apply phonics rules by reading complete stories that contain phonetically controlled vocabulary. Each storybook features engaging illustrations, contemporary themes, and diverse characters.

Beyond The Code

Recommended for grades 2–4

Beyond The Code gives students the opportunity to read phonetically controlled text according to the *Explode The Code* sequence. Comprehension skills are reinforced through literal questions, vocabulary, sight words, and critical thinking exercises. This series can be used independently or as part of the *Explode The Code* series.
