

# Response Guides

---

## Character

1. Tell what the main character looks like.
2. Make a character web in the picture box. Use it to describe your favorite character.
3. Tell what you like about a character.
4. Tell what you don't like about a character.
5. Describe what sort of person the main character is.
6. Describe the most important thing the main character did in the story.
7. Tell how the main character changes in the story.
8. Choose a character other than the main character from the story. Tell how and why this character was important to the main character.
9. Pretend you are the author of the story. How would you change the main character?
10. What do you think the main character does after the story ends?
11. With a friend, choose two characters from the story. Discuss how the characters are alike and different. Draw the characters and describe the likenesses and the differences.
