

Motivation Kit Overview: K-5

Our K-5 kit contains the Motivation Program Guide and web seminar CD, in addition to templates for “Academy Dollars” and student incentives. Each kit comes in a custom-designed box with individual slots for each set of incentive items for easy storage. Below is a description of the contents of the Motivation Start-up Kit for K-5.

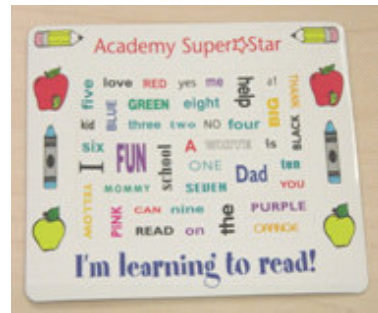

Motivation Program Guide Booklet and Webinar CD

Reviews the principles of motivation and AutoSkill programs and provides specific frameworks for using incentives with students. Includes examples and best practices.
