Recommended Companion Material

EPS offers a wide range of products and programs that complement the vocabulary skills in *Vocabulary from Classical Roots*. We recommend the following series to enhance vocabulary development and strategies.

Analogies 1, 2, and 3

Recommended for grades 7–12

Studying analogies helps students to sharpen reasoning ability, develop critical thinking, understand relationships between words and ideas, learn new vocabulary, and prepare for the SATs and other standardized tests. Each of the three books in this useful series consists of three parts written in a clear, conversational style with few technical terms. Use *Analogies 1, 2, and 3* to increase your students' critical thinking and vocabulary skills.

Wordly Wise 3000

Recommended for grades 2–12

Wordly Wise 3000, an EPS bestseller, develops vocabulary and comprehension skills for students in early elementary through high school. Each lesson features a word list, exercises that reinforce key vocabulary concepts, and a nonfiction narrative that uses all the words from the list to build reading comprehension skills by identifying and applying words in context. The series also includes blackline master test booklets in state standards-compliant formats.

For more information about these series or to place an order, visit www.epsbooks.com or call 800.225.5750 to speak to a customer service representative.
