Nat and Nana ran to the boat.
The man on the boat is Jon.
Nat and Nana got on.
“Look, Nat!
I see the tip of a fin.”
Nat saw a hut.
She saw a man at the hut.
But Jon saw the fog.
The fog hid the sun.
It hid the fin, too.
Nat and Nana saw the man run up to the top.
The man lit the tip.

It lit up the boat.
Jon got them to the hut.
They ran up to the top.
“Look, Nat! The sun is out.”
“I see a fin, Nat.”
"I see a lot of them."
“Nana, can I see?”
I can see them bob and dip!
“I had fun, Nana.”
What if you could live in a lighthouse?
What do you think it would be like?
Have you ever seen a dolphin?
Where?
